

## FEAR-LILY ALLEN

**I want to be rich** and **I want lots of money**

**I don't care about** clever I don't care about funny

I want loads of clothes and fuckloads of diamonds

**I heard people die** while they are trying to find them

I'll take my clothes off and it will be shameless

Cause everyone knows that's how you get famous

I'll look at the sun and I'll look in the mirror

I'm **on the right track** yeah **I'm on to a winner**

I don't know what's right and what's real anymore

I don't know how I'm meant to feel anymore

When do you think it will all become clear

And I'll be taken over by the fear

Life's about film stars and less about mothers

It's all about fast cars and **cussing each other**

**But it doesn't matter** cause I'm packing plastic

And that's what makes my life so fuckin' fantastic

And I am a weapon of massive consumption

And its not my fault it's how I'm programmed to function

I'll look at the sun and I'll look in the mirror

I'm on the right track yeah I'm on to a winner

I don't know what's right and what's real anymore

I don't know how I'm meant to feel anymore

When do you think it will all become clear

And **I'll be taken over by the fear**

**Forget about** guns and forget **ammunition**

Cause I'm killing them all on my own little mission

Now I'm not a saint but I'm not a sinner

Now everything is cool **as long as** I'm getting thinner

I don't know what's right and what's real anymore

I don't know how I'm meant to feel anymore

When do you think it will all become clear

And I'll be taken over by the fear
